Per your conversation with [redacted] attached is the DOJ Interagency Community Group list for CVE to initiate an invitation email for the CVE and portal presentation on October 16, 2015. As stated in [redacted] email below, the HRD Conference room has been reserved from 1-5p.m. However, we leave it to your discretion on the actual time of the presentation.

Please advise who is the CVE POC for this presentation.

[redacted]

We (CRU) have reserved the HRD conference room for Friday, October 16, 2015, from 1:00p.m. to 5:00p.m. to give the CVE and portal presentation to the national advocacy groups representing the Arab Muslim, and Sikh community. We are in the process of receiving the names, e-mail addresses, and their respective organizations from [redacted] of DOJ. We hope to have them today (morning), then, if necessary, pare down the list. Does this date work for everyone and if so the following needs to be accomplished:

1 - CVE to mail out the invitations to the identified individuals per CRU's list (as not to reinvent things, the e-mail should be relatively consistent with the one CVE previously sent out to the group which came to HQ in July). Please provide a CVE POC to which the list can be forwarded to.

2 - Although the HRD conference room has been booked from 1p.m. to -5p.m., I leave it to your discretion as to the specific start/end time and length of the meeting.

3 - CRU personnel will assist CVE in escort responsibilities on the day of the meeting.

are you available around 1or 2 p.m. this afternoon to discuss?

Thanks,

UC

Dear Respected Colleagues,

I pray this message reaches you in the best of health and happiness. I wanted to thank you for inviting me to this wonderful event. I must express my regret for my inability to attend, as Friday afternoons are the holiest day of the week for Muslims. As such, I am obligated to perform services on Friday at the mosque and will be unable to excuse myself from my pastoral duties.

Good afternoon [redacted]

Per your conversation with [redacted] attached is the DOJ Interagency Community Group list for CVE to initiate an invitation email for the CVE and portal presentation on October 16, 2015. As stated in [redacted] email below, the

HRD Conference room has been reserved from 1-5p.m. However, we leave it to your discretion on the actual time of the presentation.

Please advise who is the CVE POC for this presentation.

We (CRU) have reserved the HRD conference room for Friday, October 16, 2015, from 1:00p.m. to 5:00p.m. to give the CVE and portal presentation to the national advocacy groups representing the Arab Muslim, and Sikh community. We are in the process of receiving the names, e-mail addresses, and their respective organizations from [redacted] of DOJ. We hope to have them today (morning), then, if necessary, pare down the list. Does this date work for everyone and if so the following needs to be accomplished:

b6 -2, 4
b7C -2, 4

- 1 - CVE to mail out the invitations to the identified individuals per CRU's list (as not to reinvent things, the e-mail should be relatively consistent with the one CVE previously sent out to the group which came to HQ in July). Please provide a CVE POC to which the list can be forwarded to.
- 2 - Although the HRD conference room has been booked from 1p.m. to -5p.m., I leave it to your discretion as to the specific start/end time and length of the meeting.
- 3 - CRU personnel will assist CVE in escort responsibilities on the day of the meeting.

[redacted] are you available around 1or 2 p.m. this afternoon to discuss?

Thanks,

TRANSITORY RECORD

Good Morning,

CVE Section and OPA is in the process of finalizing a number of options for a field office to consider when addressing CT related violent extremism in the community:

[Redacted]

The above efforts will engage members of your community.

We're asking each of you to consider selecting a member of your community who could provide constructive feedback on this endeavor. They would review the MOU and the above products and provide input.

That community member would travel to Washington, D.C. for a focus group on July 31st. You are encouraged, but not required, to attend as their sponsor. Your expenses will also be covered with a TR#. When considering who to send from your office, it is recommended an SSA or ASAC assigned to CT issues be sent. The MOU is operational in nature and is being coordinated with CTD. Please

submit your nominations, with full name, physical address and/or email address, and phone number, NLT 24 July. EC to follow.

Thank you!

Could you possibly hit them up on their blackberry for me to just give them a heads up? I know they will have an avalanche of other items to conquer when they return and with this short turn-around time, we could use even the slightest time advantage here.

Thanks and great to work with you again!

TRANSITORY RECORD

Good Morning,

CVE Section and OPA is in the process of finalizing a number of options for a field office to consider when addressing CT related violent extremism in the community:

[redacted]

b5 -1

The above efforts will engage members of your community.

We're asking each of you to consider selecting a member of your community who could provide constructive feedback on this endeavor. They would review the MOU and the above products and provide input.

That community member would travel to Washington, D.C. for a focus group on July 31st. You are encouraged, but not required, to attend as their sponsor. Your expenses will also be covered with a TR#. When considering who to send from your office, it is recommended an SSA or ASAC assigned to CT issues be sent. The MOU is operational in nature and is being coordinated with CTD. Please submit your nominations, with full name, physical address and/or email address, and phone number, NLT 24 July. EC to follow.

Thank you!

You might want to clarify that new information to the field. I took from the email that whoever the field chose would attend. You are now saying HQ will select 10 people from those submitted. We are now suppose to ask people to clear 7/31 and wait to hear if they are "selected". That message may not sit well with community leaders.

We have a call into two leaders. Will let you know.

I am sure you know many of them are extremely busy, have other jobs, and responsibilities. I don't want to ask them to clear the entire day, so if you know the time, please provide it and I will work on an attendee tomorrow.

TRANSITORY RECORD

Good Morning,

CVE Section and OPA is in the process of finalizing a number of options for a field office to consider when addressing CT related violent extremism in the community:

The above efforts will engage members of your community.

b5 -1
b6 -2
b7C -2

We're asking each of you to consider selecting a member of your community who could provide constructive feedback on this endeavor. They would review the MOU and the above products and provide input.

That community member would travel to Washington, D.C. for a focus group on July 31st. You are encouraged, but not required, to attend as their sponsor. Your expenses will also be covered with a TR#. When considering who to send from your office, it is recommended an SSA or ASAC assigned to CT issues be sent. The MOU is operational in nature and is being coordinated with CTD. Please submit your nominations, with full name, physical address and/or email address, and phone number, NLT 24 July. EC to follow.

Thank you!

I am traveling from Little Rock on Thursday for the Friday meeting. I have to be in NYC on Monday. I was hoping that you would authorize me to stay in DC Saturday and Sunday so I can head to NYC on Monday. If not I will have to fly all the way back to Little Rock on Saturday then turn around and fly to NYC on Monday. The expense for the two days in DC should be offset because I will not require a return flight to Little Rock on Saturday and my NYC conference will cover my flight home.

When you make the hotel reservation, let them know the circumstances and make sure they note itmaybe even talk with their manager after the reservation?

In any event, the community member is only going to be reimbursed/paid at the government rate. If the worst case scenario presents itself, the community member would have to pay the difference themselves.

The above efforts will engage members of your community.

We're asking each of you to consider selecting a member of your community who could provide constructive feedback on this endeavor. They would review the MOU and the above products and provide input.

That community member would travel to Washington, D.C. for a focus group on July 31st. You are encouraged, but not required, to attend as their sponsor. Your expenses will also be covered with a TR#. When considering who to send from your office, it is recommended an SSA or ASAC assigned to CT issues be sent. The MOU is operational in nature and is being coordinated with CTD. Please submit your nominations, with full name, physical address and/or email address, and phone number, NLT 24 July. EC to follow.

Thank you!

Hello [Redacted]

Thank you for the updates below. Will do.

We are having a community focus group on Friday July 31, here at HQ. We are asking for LA to nominate a community member (religious, cultural, mental health, or human services, etc...) to review a product or two of ours and give us their comments.

Here is the EC that went out Monday detailing this.

Thanks

Good Morning,

CVE Section and OPA is in the process of finalizing a number of options for a field office to consider when addressing CT related violent extremism in the community:

[Redacted]

b5 -1

The above efforts will engage members of your community.

We're asking each of you to consider selecting a member of your community who could provide constructive feedback on this endeavor. They would review the MOU and the above products and provide input.

That community member would travel to Washington, D.C. for a focus group on July 31st. You are encouraged, but not required, to attend as their sponsor. Your expenses will also be covered with a TR#. When considering who to send from your office, it is recommended an SSA or ASAC assigned to CT issues be sent. The MOU is operational in nature and is being coordinated with CTD. Please submit your nominations, with full name, physical address and/or email address, and phone number, NLT 24 July. EC to follow.

Thank you!

I will now be attending as well, although since I will be there anyways for the [redacted] Tuesday through Thursday and Friday was the travel day back, I will not be using your TR# for myself, just for our community members. Finally, my SAC just advised that we may invite a second community member today, [redacted] so there may be two coming from Detroit instead of just 1.

I guess I will see you next Friday morning, thanks.

Hi [redacted]
No worries. I completely understand your circumstances.
Thank you so much for all your help. Good luck with all of it...I worked in Inspection Div. for the last 9 years and was the MAPA who coordinated them that were assigned to me. So I fully know how it goes!
We'll catch up another time

Thanks!

Good Morning [Redacted]
Yes, that's ok for you to stay and attend.

Two notes of interest:
One:

The room in SIOC is the biggest room available at that time and it only holds 80 people. So after I receive one representative from each field office, then I will go first-responded/first reserved on a secondary person. So, you are among the first to respond, so yes, you both can attend.

Two:
Since it is the end of the fiscal year, your TRIP request for this conference MUST be in the system BEFORE September 30, per Finance Division regulations

Thanks

I, along with my CT SSA [redacted] will already be back at FBIHQ attending the annual WMD Conference September 28 and 29. Do you mind if we both stay and attend the CVE Conference on September 30, or is it reserved for ASACs only. I would respectfully request we both attend since we are both already at FBIHQ and SSA [redacted] is the PCOR for the CT Program. The Conference would be beneficial for both of us.

Please let me know.

Thanks,

ASAC [redacted]

Good Day,
The attached EC with a lead regarding the above-referenced ASAC Conference went out last week.

Two notes of interest:

One:

The biggest room available at the time is SIOC's Executive Briefing Room which holds only 80 people. After I receive a confirmation for one representative from each field office by the deadline of September 1st, then I will accept a secondary person on a first come/first served basis.

Two:

Since it is the end of the fiscal year, the TRIP request for this conference MUST be in the system BEFORE September 20th, per Finance Division regulations

Field office Counterterrorism Assistant Special Agents in Charge (ASAC), designated POCs and invited SACs will travel to FBI Headquarters for an all day conference. Attendees will be briefed on the Countering Violent Extremism (CVE) program, operational requirements, intelligence efforts, AOR related threats, resources available, and interagency participation.

This is in conjunction with event request number 64195. The date of the conference changed to September 30, 2015, requiring travel on September 29, 2015 and October 1, 2015. This crosses a fiscal year, therefore we need another TR# to claim expenses incurred on the travel date of October 1, 2015. This [Redacted] request is not in addition to the original [Redacted] it is a segment of it because of the break in the fiscal year.
