Two candidates for the supreme court. One is tough on crime, the other suspended the sentence of a cocaine dealer, of a man who killed a state trooper, two more drug dealers

And over half the sentence of a child rapist

One is a conservative. Liberal trial lawyers support the other with half a million dollars in advertising

Who are these candidates?

They're both Judge Jeff Hughes

He says he couldn't be appointed to the job, he's right!

[PFB] On election day, don't elect him.
