Toni Higginbotham hasn't always been a judge

she was a stay-at-home mom

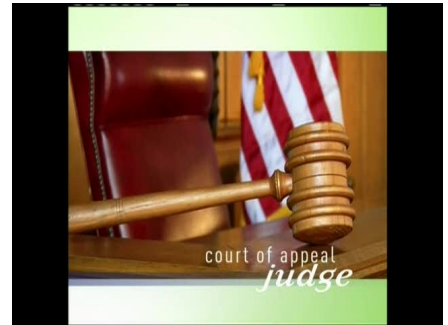

overseeing tea parties, soccer games, and homework

and she taught high school in Baton Rouge and Ascension

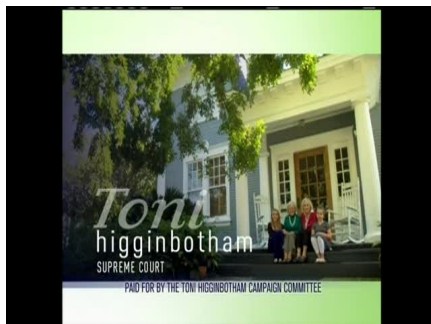

at forty, Toni entered law school to pursue another dream

from family court, to court of appeal judge, she's handled thousands of cases

and even beat breast cancer along the way

[PFB] Toni Higginbotham, she has the experience we need on the Supreme Court
