My family taught me that public service is an honor

and a duty

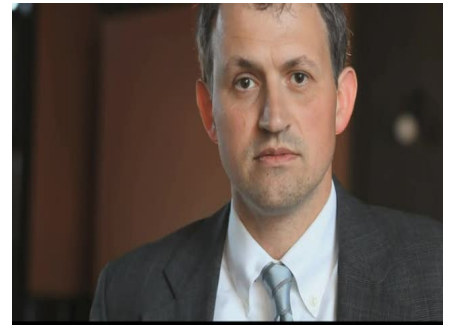

I'm Josiah Coleman and I'm running for the Mississippi Supreme Court because I want to serve my community

The legislature you elect is powerless if the courts are left in the hands of judges, that wanted them to belong to their will instead of yours

If elected as the supreme court justice, I will work hard to be fair, the way our north Mississippi values demand

Please vote for me, Josiah Coleman on November the sixth

[PFB] Paid for by the committee to elect Josiah Coleman and approved by the candidate
