What's happened in Wisconsin over the last few years

Is we've seen our state supreme court really descend into disfunction

Pat Roggensack refused to hold

David Prosser accountable for choking another justice

She even risked the integrity of the court creating the Roggensack rule

letting special interests donate to justices

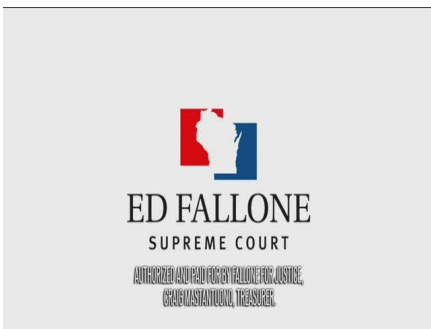

when they have cases in front of the court

people want to see a justice who has the courage to follow the law

and stand up for the working families of Wisconsin

Ed Fallon for Supreme Court

[PFB] That's the kind of justice I'll be
