June 16, 2010, the day our life was shattered

My son Joe was taken from me. Killed when his unit was attacked by terrorists in Afghanistan

My son selflessly gave his life for this country

So when I heard Bridget McCormack volunteered to represent and help free suspected terrorists, I couldn't believe it

My son's a hero, and fought to protect us

[PFB] Bridget McCormack volunteered to help free a terrorist. How could you?
